

# EEO PUBLIC FILE REPORT

FOR

WSGE, Dallas, North Carolina

This EEO Public File Report  
Covers the Period  
From August 1, 2014, to August 21, 2014\*

\* The Station had five full-time employees from August 1, 2014, until August 21, 2014, when the fifth full-time employee (Production Director) resigned. Thus, this report covers only the abbreviated period from August 1, 2014, until August 21, 2014, i.e., the period that the Station had five full-time employees.

This EEO Public File Report is filed in Station WSGE's public inspection file and on the WSGE.org website pursuant to Section 73.2080(c)(6) of the Federal Communications Commission's ("FCC") rules.

**Full Time Vacancies Filled During the Abbreviated Reporting Period.** During the period covered by this report, WSGE did not fill any full-time vacancies.

**Outreach Activities During the Abbreviated Reporting Period.** WSGE provides ongoing internship opportunities to students in Gaston College's Broadcasting and Production Technology degree program. These internship include opportunities for the students to learn radio station skills and operations.
